

WOODLITE®

Grille 002 | SUR-FLD-025

Why WoodLite?

WoodLite® features wood-look felted acoustic material made from our Soundcore® PET-felt. This collection offers an innovative alternative to traditional wood-based installations, while maintaining the emotional resonance of natural wood in indoor environments.

Product Specifications

Product Name	Grille 002	Warranty	Comes with industry-leading standard warranty.
Product ID	SUR-FLD-025	Flammability	ASTM E84: Class A
Acoustics	0.55 - 0.95 NRC*	Custom	Custom colors and manufacturing services available. Additional charges and lead times may apply.
Lead Time	Lead time is dependent on project size. Contact us for more information.	Maintenance	Vacuum occasionally to remove airborne dust or debris. Mild detergents or soaps may be used to remove stains. For detailed care instructions, refer to the CSI Creative Maintenance Information document.
Durability	Contract		

Material Specifications

	Soundcore®
Content	Recycled PET acoustic felt
Weathering	Colorfast, non-deteriorating, non-hygroscopic
	Recycled PET acoustic felt is 60% post-consumer recycled content and is 100% recyclable. Contributes points toward LEED v4. CDPH v1.2, VOC free, non-toxic, non-allergenic, anti-microbial - does not attract mold and mildew. Compliant with Living Building Challenge criteria & DECLARE Red List Free.
	PET felt panels are created through a manufacturing process known as 'felting'. This process results in a heathered appearance. Multiple color tones may appear in the same panel. Slight color variations should be expected.

Declare.

*Approximate. NRC rating may vary due to product dimensions and spacing.

Dimensions

Standard Unit Dimensions

Typical ranges for height and width.

Custom Opportunity

Product dimensions can be manipulated in order to fit your design aesthetic and site conditions.

Standard Unit Thicknesses

Thickness is independent of material layer selection.

Product Details

Installation Options*

All products and installation methods can be **customized** to meet the unique requirements of your space.

Individual

Attachment solution allowing for independent installation of units.

- + Allows for multiple unit orientations
- + No visible hardware

Available methods: Panel Clip, Metal Bracket

Rail

Attachment solution using physical hardware to attach to an existing surface or substrate.

- +Controlled unit spacing and orientation
- +Fastest installation time
- +Lowest labor cost

Available methods: Linear Rail

*Not all listed attachment methods may be applicable to this product.
